Assessor Comments A really tidy lot of 24 weaned steers. They display plenty of shape, bone, length and softness. Clean and healthy coats. They are in fresh condition and are ideal steers to go forward on crop. In the past these cattle have met market categories from Supermarket/Local trade through to feeders or heavy export steers - both grass and grain fed. Very well educated and worked through the yards and over the scales with no fuss. 6 Steers have white or broken white faces however are out of large frame Angus/Angus/Hereford cows (Naracoorte Angus and Sugarloaf Angus genetics), and sired by Stud Naracoorte Angus Bulls. Bred in the Upper Hunter of NSW so they will suit a variety of climates and conditions. Vendor bred, Antibiotic Free and Pasture Fed. Will suit small or large operators with loads of upside to these young steers.
