Assessor Comments A nice little line of Angus & Angus X steers. Two steers exhibiting a small amount of Shorthorn influence with the balance straight black. Complementing a line of Shorthorn steers the same vendor is offering today as well. Weaned a month and in good fresh condition after grazing a barley crop the last four weeks these steers will kick on from here with no trouble. Great weaners to take on in their own right or as an addition to a larger line. Well worth a close look.
