Handled With	Bikes , On foot , Vehicles		

Assessor Comments	Vendor bred Triple B blood steers these cattle tick all the boxes, weaned, vaccinated, first dose of Bovilis (batch number available). If you're looking for Steers for the feeder market or grow out to bullocks these cattle won't disappoint. Bred from a large to medium framed Angus cow herd these steers growth and weight gain has been very good in a tough season. six steers have slight pink eye scarring not considered detrimental.
