Assessor Comments	Buyers, to be offered for sale are 41 Angus Yearling Steers. These steers were purchased off reputable breeders out of the Hamilton Weaner sale with the intention of growing out into heavy feeder cattle. However, due to the weather conditions they are now back on the market as a neat 2 deck lot of Backgrounder Angus Steers. Steers averaged 307.3Kg Full at assessment. A tight weight range of 270Kg-340Kg, these steers display a medium to large frame and are in ideal store condition. They have been vaccinated 2x 5 in 1 and drenched most recently with Cattle Guard Pour On. A great opportunity to purchase a tight, even line of Angus Steers that are ready to bounce rapidly on good productive feed. These cattle will not take long to finish into heavy feeder weights or fat kill bodies.
