Handled With	Easy cattle to handle, the odd one played up in the crush but nothing unusual there. Overall well handled cattle. Bikes , On foot , Vehicles
Assessor Comments	A small lot of very good quality weaned Angus cross Angus Hereford heifers that throw back to a Hereford bull used many years ago. Heifers with all the attributes and breeding to make for front paddock cows alternatively they have the frame and conformation to perform on grain or grass. These heifers present in fresh condition and have had no set backs. There is another two lots on offer by this breeder as well as another local district lot.
