A few had a tendency to rush a little in the yards but easy enough to handle. The odd one played up in the race and crush but nothing unusual there. They all settled when moved into the main yard , Overall well handled cattle.

Handled With	Bikes , Horses , On foot , Vehicles

Assessor Comments	Tidy line of well bred weaned Angus steers with the frame and conformation to put on a lot of weight. steers that will perform on grain or grass. They are from one of the oldest angus herd in this district, the start of the season was tough but has kicked on from there. They will only go forward from here, a large tail has been taken out. There is another 3 local district lots in this sale as well.
