Steers all drafted through yards, walked up the race & stood on scales with ease. Once let out of crush heifers walked out and calmly returned to mob

Assessor Comments	Composite Steers that have all the attributes to make excellent supermarket bodies or Bullocks, once given the opportunity. Plenty of shape and depth to work with. Rare opportunity to source as would normally retained till supermarket weights. generations of hicks composite blood. Good little lot for a hobby farmer ** Vendor has another 3 lots in this Sale**
