Assessor Comments	Tops of the drop. This is a quality offering of vendor bred heifers out of Prime Angus and Team Te Mania blood Angus cows. They are a very stylish line of structurally sound future breeders with lovely soft feminine features and good structural correctness. They were a pleasure to handle at assessment. This is a great opportunity to purchase in some very nice heifers that have been well handled and will continue to bloom into promising future breeders. No heifers retained, these are the tops of the drop
