Assessor Comments	Offering a small, extremely quiet line of well bred Angus heifers on behalf of the Fowler family. The vendors have handled the cattle regularly and use low stress stock handling practices resulting in a well mannered, user friendly line of heifers. Cattle are often yarded on foot or by being called, with the temperament displayed being a true result of a limited stress environment. With length, frame and exceptional temperament, this article would be ideal to grow out to joinable weights or to target multiple avenues such as feeder, trade or export markets. Buyers please note vendor has another 8 steers for offer in the same sale.
