Assessor Comments	Buyers a great opportunity to purchase young, well grown preg tested empty heifers presented in good store to forward store condition with all being weighed from a low weight of 304kg to a high weight of 504kg and avg 412 kgs with a 3hour curfew . These heifers display good softness and stand on solid frame that will make them ideal heifers to grow out to heavy feeder or kill weights to meet domestic markets or to join to the bull of your choice.. These heifers are benefiting from a good season in the local area Please note that vendor has a lot PTIC in the Eastern state sale Please note a few with old blue eyes
