Assessor Comments	Buyers, here is a great line of soft lightweight Angus steers that average 230kg. These steers show nice softness and depth. Steers have great spring of rib, with plenty of natural skin. This line of steers show nice bone and have great breed type. Steers are out of medium to large frame Angus cows by top quality stud sires. Steers worked very well through yards. These cattle are antibiotic free & grass only eligible. Note 1 steer show small white underline and 2 steers had old blight scaring but not detrimental. Vendor has other lines in same sale.
