Assessor Comments	Buyers, here is a great line of soft lightweight Angus heifers that average 230kg. These heifers show nice softness and depth. Heifers have good spring of rib, with plenty of natural skin. This line of heifers show nice femininity and have good breed type. Heifers are out of medium to large frame Angus cows by top quality stud sires. Heifers worked very well through yards. These cattle are antibiotic free & grass only eligible. Note 1 heifer has small white underline and 2 heifers had old blight scaring but not detrimental. 1 heifer mother had already weaned. Vendor has other lines in same sale.
