Assessor Comments	Buyers on offer, 3 decks of vendor bred Angus cross weaner steers. This draft of steers are off ironbark forest country and will perform given the opportunity these steers display all the attributes to grow out to be very good quality feeders or bullocks. Steers were a pleasure to handle at assessment and worked very well through the yards and are being educated daily in the paddock right up until delivery. Buyers, three decks of very good quality, quiet, currently being weaned steers that are well worth your consideration.
