Assessor Comments	Good line of Angus x Heifer calves, very quiet and well-handled weaners. Calves have been in the yard for a week prior to assessment. 100% weaned and ready to go to the paddock. Their mothers are first-calf heifers, and the vendor has weaned them early to give them a break prior to next season. Ideal cattle to put away and grow out. Brothers to this lot are also listed in the same sale.
