Assessor Comments	46 Wagyu / Angus cross weaned Steers presenting in a healthy forward store condition. Steers are 7-8 months old weighing 211-325kg to average 263.1kg full at assessment. Steers were easy to handle throughout the yards. Steers would be ideal to but straight back onto oats to grow out to the feeder market or fatten to slaughter weights. Please note vendor has another two lots in the sale sale.
