Assessor Comments	16 Wagyu / Angus cross weaned mix sex weaners presenting in a healthy forward store condition. Weaners are 5-7 months old weighing 161-208kg to average 188.4kg full at assessment. Weaners were easy to handle throughout the yards. Weaners would be ideal to but straight back onto oats to grow out to the feeder market or fatten to slaughter weights. Please note vendor has another two lots in the sale sale.
