| Assessor Comments                                       | A handy line of steers that are quiet to handle, plenty of frame and compensatory weight gain available on this lot. Will go on to be ideal feeders or grass fatteners in the blink of an eye. Steers with genetics from Waitara, Bongongo, Outwest and Dalwhinnie Angus sires. Quality showing through in these cattle. Lead draft of steers, weighed at assessment as 351kg plus. Averaged 412kg at assessment. Cattle can be weighed full less 5% at nearest registered weighbridge if purchased on cents/kg basis. Well bred cattle that will perform. |                                     |       |                 |                                  |                                           |                                     |                                                         |      |      |     |  |  |
