Assessor Comments	Very good quality line of Vendor bred Grassfed and Antibiotic free steers that show great growth for age. These steers are of good frame and are of good weight considering the wet conditions they have faced over the past few months. Steers are all black coated with a lovely soft fleshy skin to grow onto be beautiful feeder steers in the spring or ideal steers to take onto heavier markets. 2 steers treated with weeping eye at assessment. They'll be monitored until delivery. Vendor has sisters in same sale to make up two decks.
