Assessor Comments	Very good quality line of Vendor bred Grassfed and Antibiotic free heifers that show great growth for age. These heifers are of good frame and are of good weight considering the wet conditions they have faced over the past few months. Soft coated heifers with added shape from their Santa/Limo mothers. Ideal heifers to take onto heavier markets and background and feed for domestic markets. Or pretty enough to go on and be an addition to breeding operation. Vendor has 47 steers in same sale to make up 2 decks.
