Assessor Comments	A nice line of weaner steers 17 of these steers were bred at Murrundi in the high country and 6 were bred on the home farm. There are 4 steers showing Limousin infusion and 2 steer with scurs. These 4 steers are out of Angus Limo Cows by Angus Sire. There is one steer in the mob with pink eye treated at assessment. These steers were weaned on 1st June 25. These steers are out of good framed station bred cows. These steers were a pleasure to handle in the yards and crush.
