Notable Traits	Traits 3 Head White udder
Assessor Comments	TOP OF THE DROP. High quality WEANED Angus heifers. These heifers represent the lead draft of spring drop calves. Weighed 250kgs-351kgs to avg 300kgs full at assessment. Sired by Millwillah, Bongongo, Onslow & Bannaby Bulls. A tremendous opportunity to secure a very even line of well bred, classy females. These heifers present in forward store condition, with fresh shiny coats that have handled winter and weaning well. Classy females with ideal softness, shape and frame to carry forward into breeding programs, backgrounding or onto feed. Heifers are well handled, yard weaned 20/5, and have been tailed through yards and paddock. A pleasure to handle. Highly recommended.
