Bolaro have been using Rennylea Angus genetics for 10 years with a focus on growth and IMF, targeting Rangers Valley feedlot and other repeat buyers. This is a rare opportunity that these noted doing cattle are offered onto the open market. Presenting in forward store condition, these steers will respond well to crop if given the chance. Will reach domestic/export weights if given the opportunity. Steers are EU, MSA, Greenhams Never-Ever & Tey Grasslands accredited. Please note: 68 of last years yearlings being offered also in same sale.
