Assessor Comments	Great line of Angus X Angus heifer calves with loads of growth. The lead of the Spring drop 2024, this is an outstanding lineup of grass fed accredited heifers. Bred from the renowned Jarvis herd of Angus X cows, these heifers are noted doing cattle and present in excellent fresh condition ideal to grow out for joining or fatten. Every heifer was handled and the tail of the group removed. Note 3 Black Baldy Heifers in the group from angus cross cow in herd. Normally retained in herd to be joined selling due to harder season this year. YARD WEANED
