| Assessor Comments | Here is a well bred neat line of Angus and Angus cross heifers with years of breeding behind them. This line of breeding was formerly based in the Roma district and are renowned doing cattle. They are by Dunoon Angus and Bonnydale Black Simmental bulls out of good quality Angus and Angus cross cows. These heifers worked extremely well throughout the yards. They have had regular handling all their lives and it shows around the yards. These heifers would suit any type of trade job or make terrific breeder replacements. Please note one heifer has a slight blue eye which has been treated and is on the improve. Also note this vendor has another lot in this sale. |
