Steers & Heifers worked well through the yards and were a pleasure to handle. A percentage of the steers & heifers became unsettled in crush and when pressured which is common behavior for weaners, But settled once back in the mob.

Assessor Comments: Buyers, on offer are 21 mixed sex Charbray infused weaner steers & heifers (12 steers & 9 heifers), Weaners would be ideal to put away and take through to heavier feeder/kill weight at a young age. Cattle stand on good bone and show plenty of length and depth, Weaners would suit majority of your domestics/export markets whether it's in the feeder or processing grids,
