These steers are calm and quiet, moving through the yards with ease and showing good temperament.

Handled With Aerial (Helicopters, gyro's and planes) , Bikes , Vehicles

Assessor Comments A well presented line of Charolais infused steers, all the hard work has been done, with these steers already weaned and well handled. They are soft, easy doing cattle with an average curfewed weight of 309kg, making them ideal for backgrounding to heavier weights. These steers would suit a variety of feedlot programs. (Please note: the vendor is also offering the heifer mates in the same sale.)
