Handled With	Bikes , On foot , Vehicles														
Assessor Comments	A good line of vendor breed EU Accredited Grass Fed eligible Angus weaner heifers. Weaners present in good order and would be ideal to take onto a trade/feedlot or retain as breeders. Calves are sired by quality Dulverton genetics. Calves were good to handle in yards. Calves have been yard weaned in April. Buyers please note odd blue eye not deemed detrimental.														
Assessor	Miles Archdale (Level 1 Accredited)
