Assessor Comments	A very nice line of vendor bred steers that are quiet to handle, plenty of frame and compensatory weight gain available on this lot. Will go on to be ideal feeders or grass fatteners in the blink of an eye. Steers with genetics from Waitara, Bongongo, Outwest and Dalwhinnie Angus sires. Quality showing through in these cattle. Lead draft of steers, weighed at assessment at average of 324kg. Well bred cattle that will perform.
