Assessor Comments	A very nice line of well bred quiet Angus Heifers. Gundungarra Pastoral pride themselves on the use of the best genetics available for both their Stud & Commercial Angus herds and these heifers have had no expense spared. Heifers are out of Stud Quality Commercial Angus cows that include Stoney point, Glenn Morgan, Murdeduke & Onslow Blood and sired by Ascot and Glenn Morgan Angus Bulls. Heifers are currently un weaned and will continue to run with the cow until delivery. Heifers that are in the perfect position to wean and continue forward to grow out to future breeders. Calves have received two 7 in 1 Vaccinations and a previous drench. Please note one Heifer was lame at assessment and treated with Alamycin LA 300, She will be reinspected at delivery and if lame she will be removed from the sale and not delivered.
