Assessor Comments

A very nice line of well bred quiet Angus Steers. Gundungarra Pastoral pride themselves on the use of the best genetics available for both their Stud & Commercial Angus herds and these Steers have had no expense spared. Steers are out of Stud Quality Commercial Angus cows including Stoney point, Glenn Morgan, Murdeduke & Onslow blood and sired by Ascot and Glenn Morgan Angus Bulls. Steers are currently un weaned and will continue to run with the cow until delivery. Steers that are in the perfect position to wean and continue forward to grow out to heavy feeder weights or continue on to kill weights. Calves have received two 7 in 1 Vaccinations and a previous drench.
