Assessor Comments	A very even line of EU & Greenhams Never Ever accredited Rennyalea & Dunoon blood weaned heifers. Aug/Sept 2024 drop. Coming out of one of Upper Murrays toughest seasons, these heifers present in genuine store condition and should provide plenty of compensatory gain given the right opportunity. Weighed into a tight 50kg draft bracket, with a 25% tail removed at assessment, the Hanna Pastoral cattle often enjoy support from repeat buyers and with all veterinary treatments up to date present a great chance to secure a good line of lightweight heifers to turn out for a spring trade.
