Assessor Comments	Very nice line of Hereford Shorthorn Cross Steers A neat line of yearling steers that are by Quality hereford bulls out of Herford/Shorthorn cross cows. These steers are showing more traits out of the Hereford cross cows or have a bit of colour in the hide. These steers are showing plenty of length and type and would suit grass fed bullock fatteners. These steers have been going ahead given the seasonal conditions. Note one steer is late marked and can be removed and on steer has a bad blue eye can be removed if required.
