Assessor Comments	Outstanding annual draft of Santa Gertrudis cross Steers out of large frame friesan and odd friesan cross cow. These Steers have plenty of frame and length, with all the shape, muscle, and bone from the Santa Gertrudis bull. These steers were very easy to handle and are ready to take on and finish for heavy domestic or export markets. Note pizzles have been sucked and stretched due to being bucket rared, not detrimental. 3 slighty older heavier steers also inculded.
