Notable Traits	Traits
6 Head	Cattle with one cloudy eye

Assessor Comments	A good draft of EU Angus steers sired by Lawson and Paringa Angus bulls. Steers have been running on short green pick and silage which is sustaining them but the cold weather is stifling any meaningful weight gain. The last 7 yrs steers have been sold as medium/heavy feeders with solid results (extra info in document's). The 13 steers that have had grain can be identified for those wanting to supply Greenhams NE.
