| Assessor Comments | Offering on behalf of BAY OF ISLANDS FARM - Irvine Family, are 40 Angus Weaner Heifers. 65% of the 2024 drop was sired via A.I being Te Mania 'Legend' & 'Peso', with balance sired by registered Te Mania sires, with a strong focus on carcass traits, notably high IMF and heavy grain indexes. Heifers are bred from medium to large framed cows, that are nearing full Te Mania blood, with a small portion of cows that are Rennylea & Booroomooka blood. Heifers handle very well, starting with great temperament in the cow herd, followed up with thorough weaning (weaned start of Feb25') and handling practices. Please note the husbandry details for buyer confidence. |
