Vendor Comments

Annual Sale of our Hereford Steers, we generally retain and grow out to bullocks. Only off-loading due to current season. We are also offering 48 Angus & Angus X Steers in this Sale.

Temperament	Quality Grades		Store Condition	
	Excellent	100%	Fwd Store	100%
	Yards		Crush	Paddock

	Quiet: 9 head Slightly Stirry: 3 head Steers were good to weigh across the scales with only a few getting worked up, out in the holding paddock they did circle a bit getting the photos nothing to worry about just eager to get back to their paddock. Once let out the all walked back in a casual manner.	Quiet: 9 head Slightly Stirry: 3 head	Temperament not assessed in Paddock
Handled With	Bikes		
Assessor Comments	Waterloo Ag, will offer 12 Hereford Steers, March/April '24' drop, Injemira Bld, weaned, PCAS, Grass Fed & Antibiotic Free. They will present in healthy forward store condition having all been weighed from 430 - 512kg ave 458kgs (full). Outstanding draft of steers of Waterloo Ag these steers display tremendous depth, length, bone and softness, they have future export bullocks written all over them given feed in front of them. These steers come with my highest recommendations and will not disappoint, they have, an excellent health status, bred from a large frame cow herd with over 70 years of breeding. Vendors also offering a further 48 Angus & Angus X Steers in this sale.
