Assessor Comments

A line of 26 well bred, AA weaned Heifers ready to move forward. These Heifers are docile and easy to work with under pressure. They were yard weaned for 5 days in May with cereal hay and grain. The Heifers our bred from top tier Mandayen and Allendale AA Bulls. No doubt these Heifers will make exceptional future breeders. They are also out of large framed, AA cows. Absolutely no question about the quality of the breeding of these calves. This is a regretful sale as the vendor is selling due to seasonal conditions. Please note the same Vendor has a line of 19 AA Steers on offer in this same sale. There is also a line of 40 AA Cows on offer in the Eastern States Sale, they are the mother of these calves.
