Assessor Comments	Buyers, here is a top line of soft weaned Shorthorn, Charolais and Black Simmental cross heifers that are grass only & antibiotic free. These heifers present in good store condition averaging 300 kg with great volume and ooze softness. These heifers show nice length of body with good bone, depth of flank and skin with plenty of femininity. Heifer's are out of medium to large frame xbred cows by top quality sires. Heifers were extremely quiet to handle through yards. These heifers are a very well bred grade line of cattle that would make great future breeders. Heifers were weaned on the 29/4, no extra condition here. Note vendor has other lines in same sale.
