Assessor Comments	A very neat line of good quality well bred Angus x Angus vendor bred heifers that are 100 % Booroomooka blood. Heifers would suit many operations and end markets. Heifers weighed from 365 to 450 kgs at assessment, perfect for the feedlot or ideal cattle to finish for grass fed program as cattle are Grass fed and Antibiotic free. Heifers are soft easy doing females that are very quiet and easy to handle and would suit as replacement females as well !
