Assessor Comments	A nice of Angus heifers that are grass fed and antibiotic free. These heifers are bred out of a self replacing cow heard based on Eaglehawk bloodlines. A very nice line of Angus heifers that would suit to feed or breed. Heifers are of good quality and given the right opportunity will continue to go forward. Heifers are weighed out 250-290kg at assessment. A nice lot of weaned Angus heifers that are renowned doing cattle. Please note vendor has other lot 56 head in sale from other property
