Assessor Comments	A nice little line of Angus X steer weaners. Weaned at the end of May they present carrying no excess condition, lovely and quiet to handle and primed to take the next step. Calves with plenty of type about them, low dollar cattle perfect to put away to take advantage of this cattle market as we head into spring and beyond. Note two small lots of heifers being offered in same sale if you want to put together a larger consignment. NLIS tags were scanned at assessment so no stress to do the transfers for you at no charge
