Docile: 10 headQuiet: 10 headQuiet: 20 headDocile: 20 head

These cattle are grazed in a rotation program and are handled every third day. They are Absolutely very quiet and a pleasure to handle. They move well in the yards. Their temperament is extremely QUIET.

Handled With

On foot , Vehicles

Assessor Comments

A fantastic line of Angus Steer weaners by the AI sire Black ONYX. Well boned and deep black in color. They have good muscle and you could send these steers to any client without any problem. Black Onyx bred cattle are noted performing cattle and these steers would suit the most discerning buyer. They are in store condition with winter coats. Extremely quiet with huge potential for these steers. Highly Recommended.
