Assessor Comments: An outstanding run of Angus feeder Steers from the Kerr Family that show great weight for age . Steers are sired by Top end Pathfinder, Stoney Point and Weeran sires with no money being spared. Steers show great length and depth and are ready to explode whether being on grass or grain. These steers are Greenhams Never Ever Accredited, Grass Fed only

	and Antibiotic free. These steers will not disappoint for the successful purchaser and come with my highest recommendations.
