	Cows are pretty good to handle however they do want to crowd up in the corner when applying pressure and the odd cow becomes unsettled when isolated.		
Handled With	Bikes , Dogs		
Assessor Comments	14x14 high quality Simmental cross cows and calves. Cows are large frame breeders showing plenty of growth, bone and conformation. Cows would be an ideal article to fatten and split or could be kept to produce a few more calves. Mainly large frame cows that would weigh high 600s once fattened. Calves off these cows have topped markets in the past.
