Assessor Comments	This is an excellent mob of quality Angus cows with their 2nd CAF. They are very well grown and are doing an outstanding job on their Wagyu calves. They are still in very healthy condition and will rejoin well if put on some good feed. The yellow and red tag cows were purchased in ex Princetown and are Temania and Landfall bloodlines, the no tag cows were purchased out of Barnawatha as PTIC Heifers. A very good opportunity to purchase quality young females with years ahead of them.
