Assessor Comments	17x17 Hereford cows & calves 1st - 3rd calvers. A great opportunity to purchase quality young station-mated cows in their prime. Excellent, large-framed cows that are doing a great job on their calves. Cows have been running with a Yavenvale Hereford bull since the middle of April and will be until delivery. Calves are sired by Kyrmarney Maverick(Q029), a Wodonga National Junior Champion, & Ravensdale Anzac (Q105) from the renowned Allendale Anzac line. Cows are up to date on vaccinations and recently drenched, calves have been drenched, multimin and their first 5 in 1 as well as being marked, all the hard work is truly done. Cows are only being sold due to a shift away from Autumn calving.
