| Assessor Comments                     | 11 x 11 Angus & Black Baldy cows and calves, 2nd - 4th calvers. The Angus cows were originally purchased from a local stud breeder, the Baldys are vendor-bred. They are a pleasure to handle and are all doing an excellent job on their calves. Calves are marked, and all are drenched so they're ready to be turned out.                                                                 |
