Assessor Comments	19 x 19 station mated Angus Cows and Calves, 2nd & 3rd calvers. Te Mania, Cascade & Tabletop Angus blood cows. Calves at foot sired by Connamara Angus bulls. Very neat outfits that are always easy calving and some of the first to calve each year. Excellent mothers that are doing a great job of their calf at foot. They have been running with a Connamara Angus bull for the last month up until delivery. They have had all the treatments, calves are marked so all the hard work is done. These cows are ideal for someone looking for quality young breeders. This vendor has another lot of Heifers & calves in this sale.
