Assessor Comments	Offering 26 Angus PTIC heifers on behalf of Kininmonth Pastoral. Heifers are very good quality, showing great maturity and frame, calving as 2.5yo giving them the extra time to mature a develop. Heifers display great temperament, and are great to handle. Heifers are joined to LBW Murderduke Angus bulls and will commence calving approx August 20th, and although an 8 week joining, majority will calve within 6 weeks(end of Sep). A great addition to a spring calving herd, with all the hard work done.
