Assessor Comments	31 Angus Cows & Calves. A majority of the females were purchased from the 'Nulkwyne' herd dispersal 7 years ago. The remaining cows are either vendor bred or were purchased locally. On the 26th April cows were rejoined to Weeran Angus R57. Bull will stay with the cows until delivery. The calves are looking fresh and it is easy to tell the cows are producing more than enough milk to keep the calves thriving. This article is only up for sale due to vendor selling acreage and needing to make space. Cows were extremely quiet in the yards and crush.
